**JOINT MOTION TO EXTEND
DISCOVERY AND TRIAL DEADLINES**

Opposer Speed Channel, Inc. (“Speed”) and Applicant Phoenix 2008 LLC (“Phoenix 2008”), by and through the undersigned counsel, respectfully request the Board to extend all remaining discovery and trial deadlines as set forth herein.

As grounds in support of this Joint Motion, the Parties submit that since the Board’s Decision on Speed’s Motion to Compel, the Parties have cooperated and have been engaged in the meet and confer process to attempt to resolve their discovery disputes without intervention of the Board. At this time, the Parties have jointly agreed upon a discovery and trial schedule, and jointly request that the Board extend the current discovery and trial deadlines and to allow the Parties’ stipulated deadlines as set forth herein.

Due to the passing of Speed's lead counsel, Daniel E. Bruso, discovery has taken longer than anticipated. However, through the meet and confer process, the Parties have been able to coordinate and reengage in the process of exchanging discovery responses. Once the discovery responses have been exchanged, the Parties will need time to engage in discovery depositions, and since the Parties desire all outstanding discovery issues to be completed prior to entering the pretrial and trial phases of this matter, the Parties jointly request the extension of the remaining deadlines as set forth herein.

Therefore, the Parties have agreed to and jointly submit their request for an extension of time to extend the remaining discovery and trial deadlines, and have stipulated to the remaining dates in this matter as follows:

Expert Disclosures Due:	10/1/10
Discovery Closes:	11/1/10
Plaintiff's Pretrial Disclosures:	12/15/10
Plaintiff's 30-day Trial Period Ends:	2/1/11
Defendant's Pretrial Disclosures:	2/16/11
Defendant's 30-day Trial Period Ends:	4/5/11
Plaintiff's Rebuttal Disclosures:	4/20/11
Plaintiff's 15-day Rebuttal Period Ends:	5/20/11

WHEREFORE, the Parties jointly and respectfully request that the Board grant the instant Joint Motion on its terms and award such other relief as it deems just and appropriate.

RESPECTFULLY SUBMITTED,

THE OPPOSER
Speed Channel, Inc.
